**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Let's do away with monopolies! Competition brings better products and services. ATT was broken up for this reason decades ago and look what it brought to the American consumer, competition, better products and services. Why backtrack on progress, keep the lines open for direct competition so that we, as consumers, can benefit from better services and keep ATT and Comcast honest about what they're providing.
